...IT'S A FACE-TO-FACE EVENT WITH **JP Horizons**

Simply put, there is no other event like it in the country. Combining a workshop setting with the opportunity to network and benchmark your business against some of the best companies in the country provides unbelievable learning opportunities for attendees. You will learn what has helped other companies achieve the wins needed to continue to grow their businesses and provide careers for their employees and outstanding service to their customers. The innovative **FACE TO FACE** approach will occur at the following locations:

August 2 - Wilton, CT

For 35 years, The LaurelRock Company has provided superior Design Build and Maintenance services to more than 1,000 premier residential properties. By forming key external partnerships and maintaining a strong commitment to education, The LaurelRock Company continues to set a strong example with systems, processes and leadership in the industry.

September 22 - Chicago, IL

Sebert Landscaping has been specializing in commercial lawn maintenance and commercial landscape installation for more than 25 years. With five branches, Sebert is one of the top five commercial landscape contractors in Chicago. With a vision to be both green and lean, Sebert is taking a productive approach on providing value to customers that can also help them be more green on their properties.

They just moved into a LEED-certified facility and are excited to show it to us!

October 13 - Denver, CO
